

Andrew Weinstein Named to the 2017 Florida Super Lawyers List

Coral Springs, FL. – The Weinstein Law Firm today announced that Andrew Weinstein has been named to the Florida Super Lawyers list as one of the top attorneys in Florida for 2017. Each year, no more than five percent of the lawyers in the state are selected by the research team at Super Lawyers to receive this honor.

The annual selections are made using a patented multiphase process that includes a statewide survey of lawyers, an independent research evaluation of candidates and peer reviews by practice area. The result is a credible, comprehensive and diverse listing of exceptional attorneys.

“I am honored to have been named to the Florida Super Lawyers list for the seventh consecutive year” said Andrew Weinstein. “I will endeavor to uphold the legal standards and professional ethics required to maintain this recognition.”

As a trial attorney focusing on personal injury law and insurance litigation, Andrew Weinstein has successfully resolved several thousand cases for Florida consumers and healthcare providers. He is AV rated by Martindale-Hubbell and has received a score of 10 from Avvo, which is the highest rating an attorney can achieve from this lawyer rating service. He has also been selected as one of the state’s Legal Elite by Florida Trend magazine. Mr. Weinstein is a member of the Board of Directors of the Florida Justice Association and the Board of Governors for the American Association for Justice, the world's largest trial bar. Mr. Weinstein frequently lectures on issues relating to Personal Injury Protection (PIP) law, Insurance Litigation and Personal Injury claims and is often interviewed by the media on these and other topics.

###

The Weinstein Law Firm was established by managing partner and civil justice attorney, Andrew Weinstein more than 20 years ago. The firm represents individuals and families injured in automobile and premises liability accidents, as well as those harmed by dangerous and defective products throughout the State of Florida. In addition, the firm represents Florida health care professionals in a wide range of legal issues, which include Personal Injury Protection (PIP) and insurance claims.
